Press Release

“A Boys Wish” Motorbike Ride Saturday, July 19

The MRA SA has been asked to organise a special Motorbike Ride for a young boy who may only have a few months with us and his failing health has imposed a tight deadline on our organisers.

The MRA has a liaison person to coordinate our activities with the family and regrettably, on Saturday 12th July, he has come off his motorbike. This was not on a MRA SA organised ride and his injuries are not life threatening. Our thoughts and prayers are with him and his family, during what we believe will be a brief stay in hospital.

Our Ride Coordinator, Jock Rogan, will take over the liaison responsibilities as we count down to the big day.

The ride is a GO. Rain or shine we will be there.

See you at the Mt Pleasant Showgrounds at 10.00am.

Regards
Philip McClelland
