NOTICE TO MEMBERS & SIGNIFICANT OTHERS

MRASA PRESS RELEASE 29/7/2010

On Tuesday 27 July a special meeting of the MRASA Committee was held to discuss the position of President of the MRASA. The current President, Phil Cole, had taken up an offer of a job in Portland, Victoria and would be unable to continue in the position of President. We all thought that it wasn't too far to come to meetings, but he begged to differ.

The meeting appointed Harald Lindemann to serve as President of the MRASA until the AGM in March 2011. Harald is currently Coordinator of the 2010 Toy Run and Membership Secretary. He is also a Past President of the MRASA. It was felt that this appointment would provide stability for the organization and continuity of the position and with some judicious delegation of tasks and the support of the MRASA Committee and the Toy Run Committee the tasks taken up by Harald should not prove to be too arduous.

The Committee would like to thank Phil Cole for his service as Committee Member and President and wishes him success in his new position and his life as a Victorian. Phil noted that he would continue his association with the MRASA through the South-East Register (based in Mt. Gambier) which already has a number of Victorian members.

Signed electronically,

Yours,

Harald Lindemann.

President
MRASA
