'An MRA Supported Event'

Southern Suburbs Ride

Due to the City to Bay Fun Run, we met at BP South Road, St Marys, in place of our usual haunt on West Tce. We enjoyed a quick cuppa and met some new riders. After a short briefing by the ride officials, we commenced our ride at about 10.40 am.

The weather was magnificent, as 14 assorted scooters cruised north through the streets of St Marys.

The first leg took us initially to Hyde Park then backtracking along Cross Road and then south for a breather at Castle Plaza shops. We arrived with the group intact and relaxed.

The start at BP St Marys enabled some to grab fuel and coffee.

The short break made for an ideal opportunity to look over each others rides and get to know the new riders a bit better.

The second leg of the journey took us further south as our convoy tackled Flagstaff Road, onto Black Road through Flagstaff Hill. We then meandered through to Aberfoyle Park where we had another break at The Hub Shopping Centre.

The back of Castle Plaza Shopping Centre gave us an opportunity to check out the variety of scooters on our ride.

After a quick break, we then embarked on the final leg through Aberfoyle Park and Happy Valley and onto our lunch stop and journey's end at Caffe Buongiorno off Main South Road at O'Halloran Hill. There we were joined by members Amy, Brutus, Marrie and Nik who were unable to participate in today's ride.

The stop at The Hub Shopping Centre

In summary a most enjoyable ride in good company on a glorious spring day through some picturesque scenery, finishing off with some great food. Thanks one and all with your attendance. With warmer weather approaching, our numbers should continue to grow.
