

SAS Ride Report

Sunday Ride March 15, 2009
'An MRA Supported Event'

Adelaide – Heywood Park – St Marys

We started this ride at BP West Terrace. Our first task of the day was to elect a club coordinator and some deputies (ride coordinators). Brutus volunteered to act as returning officer for this activity. Rene was elected club coordinator and Marrie, Phil, Kim, and Wayne were elected as ride coordinators. After a short briefing by the ride officials, we commenced our ride at about 10.45 am. The ride captain for the day was Rene, assisted by Marrie as tailman.

Just some of the scooters lining up at the start at BP West Tce

The weather was Ok, as 13 assorted scooters cruised southwest towards our first stop, Westfield Marion, where we regrouped and had a quick spell.

We then looped back via Ayliffes Road and Goodwood Road towards our lunch spot, Heywood Park.

Unpacking our "lunch boxes" at Heywood Park.

Here we enjoyed the setting of a picturesque, serene community park during lunch.

The lunch break enable us to relax and share experiences.

After lunch we headed up Belair Road to Windy Point, where we encountered inclement weather and about half the group departed. The remaining riders continued onto Belair, Blackwood and Eden Hills and finished up at BP StMarys.

In summary, an enjoyable ride. Thanks one and all for your company on the day.
