'An MRA Supported Event'

Adelaide – Mawson Lakes – Mile End

We started at our usual place, BP West Terrace and were joined by Neil (from SAMRATS) on his wife's Piaggio MP3 and new member Skoota.

After a short briefing by the ride officials, we commenced our ride at about 10.30 am. The ride captain for the day was Rene, assisted by Phil as sweep.

The weather was good and the ride group comprised 13 scooters, a couple with pillions as we weaved our way through North Adelaide.

We cruised along North East Road towards Gilles Plains shops, where we had our first stop. Some interested onlookers had the impression that we were parading our scooters for sale.

From here we headed to Modbury before turning west and making our way to Mawson Lakes, where we had our second stop at the local shopping centre.

From here we made our way through the industrial area before heading down Hanson Road and stopping off at Arndale shops.

After the brief break, we headed south and made a beeline for our lunch stop – Vili's Cafe at Mile End.

Vili's is a VERY busy place at lunchtime, but with plenty of staff on hand, service came quickly. Their dining area has been greatly expanded since our last visit. An excellent day weather wise; in good company and finishing off with good food.
